

February 2021

SPORTS

Basketball, badminton and all our outdoor sports are keeping our students busy indoors as well as outdoors. It has been great to see so many classes make such good use of our skating rink, snowshoes and skis.

Our teachers have been successfully navigating having students coming and going at the rink and in the new building.

A BIG THANK YOU

A big thank you goes to all those volunteers who have helped us get our skating rink and our new building up and running. We will have new rubber flooring on the new deck and nice rugged seating for those putting on their skates to take a spin on the beautiful new ice surface. Inside the building our Grade 8's have helped organize and put up all our new equipment so that it is easily accessible by all.

APPLESCHOOLS UPPER PINE NEWS

Ms. Rutz and Mrs. Gilmour, as our Healthy Schools Coordinators, have been working hard to continue to introduce so many good things to our students.

Snack Tuesday and Breakfast Mondays will also be continuing thanks to the donations by supporting community members and companies.

Ready Set Learn has continued with new protocols in place to follow the Health and Safety guidelines. We have two cohorts that come on alternating Fridays. If you know of anyone that would like to attend please have them call the school as we do not take walk ins anymore, everyone must preregister.
