

Upper Pine School

October Newsletter

Welcome to the Upper Pine School Staff:

Mrs. Ashley Fillion - EA and Mrs. Lydia Sutherland -
AppleSchools Health Coordinator.

Good news. Our Breakfast program will begin on October 18th. Through the Community outreach mandate of AppleSchools Mrs. Sutherland will be coordinating this. We would love to have some more parents on board as volunteers - once a month, twice a month, whatever works for you. We will also be looking for some companies to help sponsor this program and it would be great if any community companies would like to partner with us in this wonderful program. Please contact the school if you have any questions or would like to volunteer/sponsor. Thank you.

Upcoming Halloween Costume parade

There has been a request by a few parents that come to school with their hair and makeup already done as they cannot make it to the school at lunchtime. Most students do not have a problem putting on their costumes at lunchtime but hair and makeup is sometimes difficult. In consultations with the staff we are allowing students to come to school with their hair and makeup done. Please remember to use unscented products as there are staff with allergies and sensitivities to scent. Costumes should NOT be worn to school, students will be given time after they eat their lunch to put on their costumes. The Costume Parade will happen once everyone is ready. We are sorry due to capacity limits we will not be having parents in the gym during the parade.

PAC NEWS

The PAC Dieleman's Fundraiser has begun and your child should be bringing home a package to look at and order. There is also an online option just in case you have family not living in Fort St John that would like to order some great stuff. I personally love the wrapping paper.
